

Good morning, Sammies,

Sixteen of us braved the heat and had a great time in Bartlesville. Here are the minutes of the business meeting. Please note the highlighted info. We need volunteers to plan the October 13 cookout and the Devil's Den clean up. For Devil's Den, the leader's responsibility will just be to make contact with the park superintendent upon arrival and find out what they want done the two mornings we are there. Will you volunteer for one of these events? If no volunteers come forward, the events will be cancelled.

Stay cool -- and we hope to see you in Mountain View July 18-21. Details will be out shortly.

Blessings,
